

Connecting Surgery East to West

'From the Silk Road to the Digital Highway'

Overview:

An innovative and interactive session, aimed at highlighting how different social media modalities, and technology can be utilised to connect surgery, and break down boundaries across several time zones and cultures.

The session will be chaired by Mr Richard Brady, and will include a host of extras from East to West.

Time:

Thursday 26th September, 13:00 – 13:55

Location:

Parallel Hall F2

Faculty:

Chairman – Mr Richard Brady, Newcastle, UK

Dr Sam Atallah - Florida, USA

Prof Xiaohua Jiang - Shanghai East Hospital, Tongji University, China

Dr Julio Mayol - Madrid, Spain

Prof Tong Qiao - Nanjing, China

Nick Crockatt - VP - Frankenman International
