

**Virtually
Vilnius
Meeting**

The 2020 ESCP Annual Conference is going virtual and we wish to invite you to join the Executive as we present the 15th Scientific & Annual Meeting from 21 – 23 September 2020.

In this unparalleled time, we ask that you join with us during the Virtual Conference to support cooperation between various ESCP committees and industry. Increasingly, we see opportunities to join forces to reach our common goals of evidence-based, safe and patient-centered better treatment for all patients with colorectal diseases.
